

Camp Lachlan

CLOTHING AND EQUIPMENT LIST

1. Label everything. EVERYTHING.
2. **Please tape an accurate list** (such as the one below) of your daughter's belongings inside the lid of her trunk in order for her counselor to best help her be sure she heads home with everything she brought to Camp.
3. PROHIBITED ITEMS: A) knives, weapons, alcohol/tobacco products/drugs/e-cigarettes, etc. B) We are a Screen Free camp. Absolutely NO phones, tablets, iPads, apple watches, or devices that run on cell service or wifi. Our cell service is terrible anyway, wifi will be locked, and there is no electricity available to campers for charging anything. These devices are considered a safety risk. Don't worry, though...the Directors and staff will take plenty of pictures to share, and the kids will watch a movie each Friday night on the "big screen" upbarn. C) fine jewelry, anything sentimental or "priceless."
4. Laundry is sent out weekly. Be sure to send enough clothes to span a two to three day "in-the-laundry" lag.
5. The list below is only a suggested one. It is not necessary to buy new clothes or equipment! Please feel free to modify this list to best meet your daughter's needs.
6. ALL MEDICATIONS are kept with the Directors and are administered by the Camp Nurse.
7. One Camp Lachlan T-shirt will be given to each camper.
8. Optional Additional Suggestions: sundresses for "church" at the Graveyard on Sundays, "Crazy Creek" chair or equivalent, equestrian attire/helmet/boots, lacrosse stick, field hockey stick, costumes, softball glove, fishing rod/tackle box, books, games, musical instruments, cd players/mix cds/batteries (yes, you can still get them!), Peanut Pal day treats (SMALL cards or gifts), bug spray, chap stick.
9. Girl Talk: make-up and hair dryers/curlers/straighteners are unnecessary at Camp. Please keep skincare routines simple at the washstand. Please bring feminine supplies, if you expect to need them, but we keep plenty on hand and are well-versed in their usage with new pre-teens and tweens. Moms, do not worry! Don't hesitate to let us know if you have concerns.

Camper's Name: _____
